Why place such emphasis on the versatility of Poodles? Well the answer is quite simply that versatility is the Poodles heritage. There are very few breeds that can match the Poodle for the variety of tasks that they have been asked to perform. They have been hunting dogs, herding dogs, truffle dogs, circus dogs, police dogs, show dogs, obedience dogs, tracking dogs, agility dogs, guide dog and special skills dogs. Currently there is a strong interest in reviving the Poodles hunting heritage and they are actively competing in field and hunt tests.

That list of diverse tasks has made the Poodle the wonderful versatile dog that it is today.

Let us celebrate and reward this rich background because there is only one dog that can do it all and do it with flair, humour, beauty and style.....the Poodle!
