BRING YOUR POODLE – ANY DENOMINATION

The Poodle Club of Canada is holding an informal Poodle Fun Day to raise funds for the club.

CALLING ALL POODLE OWNERS

Come and “picnic” with your poodle. Meet other poodle owners. If you have a poodle (or two) or just interested in learning more about the breed and all the wonderful, versatile things your poodle and you can be involved in – COME ON OUT !

Remember, this is a fundraiser and any and all donations will be most appreciated.

BRING YOUR WALLET

- Come and try your hand in the agility ring
- Or is obedience of interest to you
- How about a mini handling class for those interested in conformation
- Enter Games with your Poodle and earn prizes
- Refreshments will be available throughout the day.
- Take part in the 50/50 draw
- Buy tickets for the Raffle

**COME AND HAVE A FUN AFTERNOON WITH YOUR
POODLE(s)**

The Old Poodle

A wealthy old lady decides to go on a photo safari in Africa taking her faithful aged poodle, named Cuddles, along for the company. One day the poodle starts chasing butterflies and before long, Cuddles discovers that she's lost. Wandering about, she notices a leopard heading rapidly in her direction with the intent of having lunch. The old poodle thinks, "Uh, oh, I'm in deep doo-doo now!" Noticing some bones on the ground close by, she immediately settles down to chew on the bones with her back to the approaching cat. Just as the leopard is about to leap, the old poodle exclaims loudly, "Boy, that was one delicious leopard! I wonder if there are any more around here?" Hearing this, the young leopard halts his attack in mid-strike, a look of terror comes over him and he slinks away into the trees. "Whew!", says the leopard, "That was close! That old poodle nearly had me!"

Meanwhile, a monkey who had been watching the whole scene from a nearby tree, figures he can put this knowledge to good use and trade it for protection from the leopard. So off he goes, but the old poodle sees him heading after the leopard with great speed, and figures that something must be up. The monkey soon catches up with the leopard, spills the beans and strikes a deal for himself with the leopard. The young leopard is furious at being made a fool of and says, "Here, monkey, hop on my back and see what's going to happen to that conniving canine!" Now, the old poodle sees the leopard coming with the monkey on his back and thinks, "What am I going to do now?", but instead of running, the dog sits down with her back to her attackers, pretending she hasn't seen them yet, and just when they get close enough to hear, the old poodle says: "Where's that damn monkey? I sent him off an hour ago to bring me another leopard!"

Moral of this story.....

Don't mess with old farts..... age and treachery will always overcome youth and skill! Bullshit and brilliance only come with age and experience!

How many dogs does it take to change a light bulb?"

Golden Retriever:

The sun is shining, the day is young, we have our whole lives ahead of us, and you're inside worrying about a stupid burned out bulb?

Border Collie: Just one. And then I'll replace any wiring that's not up to code.

Dachshund: You know I can't reach that stupid lamp!

Rottweiler: Make me.

Boxer: Who cares? I can still play with my squeaky toys in the dark.

Lab: Oh, me, me!!!!
Pleeeeeeeeeeeze let me change the light bulb! Can I? Can I? Huh? Huh? Huh? Can I? Pleeeeeeeeeeeze, please, please, please!

German Shepherd:
I'll change it as soon as I lead these people from the dark, check to make sure I don't miss any, and make just one more perimeter patrol to see that no one takes advantage of the situation.

Jack Russell Terrier: I'll just pop it in while I'm bouncing off the walls and furniture.

Old English Sheep Dog: Light bulb? I'm sorry, but I don't see a light bulb!

Cocker Spaniel:
Why change it? I can still pee on the carpet in the dark.

Chihuahua: Yo quiero Taco Bulb.

Pointer: I see it, there it is, there it is, right there.....

Greyhound: It isn't moving. Who cares?

Australian Shepherd: First, I'll put all the light bulbs in a little circle...

Poodle: I'll just blow in the Border Collie's ear and he'll do it. By the time he finishes rewiring the house, my nails will be dry.

Cat: "Dogs do not change light bulbs. People change light bulbs. So, the real question is: How long will it be before I can expect some light, some dinner, and a massage?"
All of which proves, once again, that while dogs have masters, cats have staff.

10 Dog Peeves About Humans

1. Blaming your farts on me... not funny... not funny at all !!!
2. Yelling at me for barking.. I'M A FRIGGIN' DOG, YOU IDIOT!
3. Taking me for a walk, then not letting me check stuff out. Exactly whose walk is this anyway?
4. Any trick that involves balancing food on my nose... stop it!
5. Any haircut that involves bows or ribbons. Now you know why we chew your stuff up when you're not home.
6. The sleight of hand, fake fetch throw. You fooled a dog! Whooooo Hooooooooooo what a proud moment for the top of the food chain.
7. Taking me to the vet for "the big snip", then acting surprised when I freak out every time we go back!
8. Getting upset when I sniff the crotches of your guests. Sorry, but I haven't quite mastered that handshake thing yet.
9. Dog sweaters. Hello???, Haven't you noticed the fur?
10. How you act disgusted when I lick myself. Look, we both know the truth, you're just jealous.

Now lay off me on some of these thing's -we both know who's boss here !!! (you don't see me picking up your poop do you) ???
