

We are hopeing that this comming year will be as good or better again than last. This past year for some of our members ment moving others traveling and even new additions to their families.

Breeders of Miniatures and Toys where able to take advantage of the new PRCD test at a reduced rate at our clinic.

Our show was held at a new location and all went very well. It sure was nice not getting rained on setting up at 6:30 am.

This comming year we will be having more working poodle events as well as an open health clinic all year round for some of the tests.

All the best in the New Year

Take the jump!"

That's a good dog!

sung to "Walking In A Winter Wonderland"

"Come to front!"

In the ring are you listenin'?

That's a GREAT dog!"

See that white dumbbell glistenin'?

Will this be the day you go all the way?

Your heeling was grand.

And will we ever get our C.D.X.?

You dropped on command.

Time and time again I throw the dumbbell.

But will we ever get our C.D.X?

Time and time again you watch it land.

"Hey Mom, look! See that popcorn?"

Maybe you're expecting ME to fetch it!

"Listen, Mom, hear that loud horn?

I think I've fin'ly caught onto your plan!

Distractions abound.

Am I nuts! to pursue this?

My pup runs around.

Why do I want to do this?

And will we ever get our C.D.X.?

The answer, I see

In the Open ring I spend my money!

Is Agility!

Entry fees just vanish in the air!

Because I'll never get our C.D.X.!

And what's worse, the crowd just finds it funny  $E-CAUSE\ WE'LL\ NE-VER$ 

Watching as you clown without a care!

GET OUR C.D.X!!!!
