

Thank you for your interest in joining the Poodle Club of Canada.

Below you will find the links to two different Applications, the first is a Full Membership and the second is a Supporting Membership application.

Included on this page is a copy of the PCC Constitution and our Code of Ethics. You are required to sign the Code of Ethics and return it and a cheque made out to The Poodle Club of Canada, to me with your application. Should your application not be supported, your cheque will be returned. Please do not send an E-transfer.

1. Full Individual Membership (\$40) - requires Sponsorship by two full Members in Good Standing. It gives access to monthly meetings; the PCC website, full voting rights; the privilege to sit on committees, etc.

2. Family Membership (\$50) - as above but for two family members living at the same address

3. Supporting Membership - (\$20) - No Sponsorship is required. It gives you access to monthly meetings; at which you may speak, however you have no voting privileges. You may sit on Committees and have access to the Website's Members Only section. This Support Membership is aimed at individuals who wish to become full members however do not have Sponsors. (There are new changes (proposals) in the works to allow Support Members to apply for full Membership after three years without Sponsors)

If you are applying for **Full Membership**: Once I receive your completed application, I will contact your Sponsors and request a written endorsement from them. Please advise them that I will be in contact. The more information that they provide the easier it is for Members across Canada to make a decision whether to support your request or not when the application is distributed to the Membership via secret ballot. If you are requesting a family membership, you must each have a separate email address in order to have two votes. Election shall be vested in the Membership. When completing your application, please include detailed information regarding why you wish to be a member of the PCC, and what you have to offer the Club. Sign the Code of Ethics and then return it to me along with your Membership fee.

If you are applying for a **Supporting Membership**, please complete the Supporting Member application including as much information about yourself and why you would like to be a Member of the Poodle Club of Canada. Sign the Code of Ethics and then return it to me along with your Membership fee. Acceptance or denial is made by the Executive of the Poodle club of Canada.

We (PCC) hold our AGM in September each year. We do try to hold monthly meetings, however due to COVID 19 things have been very slow. If I have received your application (including a cheque) and the letters from your Sponsors prior to our next meeting, your application will be presented at that meeting and then via Survey Monkey your application will be forwarded to each voting member for response. (this takes approx. 3-4 weeks from the date of presentation to Members). Once I have the results I will contact you.

Best Regards,

.....Jane
